ABOUT

Hi! I am a college student having a strong passion for software development. I'm on a journey to continually expand my knowledge and skills, exploring a wide range of technologies and programming languages along the way. Looking to become a better version of myself each and every day.

EDUCATION

Sneh International School	Delhi, India <i>2007 – 2021</i>
Northern India Engineering College, GGSIPU <i>Batchelor's in Technology in Computer Science and Engineering</i>	Delhi, India <i>2021 – Present</i>

PROJECTS

Calculator | *HTML, CSS, Javascript*

- A colorful feature-rich calculator that calculates output on the run and has decimal functionality, negative toggle, backspace, ability to clear the screen and supports 4 basic operations.

Etch a Sketch | *HTML, CSS, Javascript*

- It's a 16x16 grid initially where if you hover over any of the boxes, it fills it with a random color. A button is present to change the grid size to anything less than a hundred.

TECHNICAL SKILLS

Languages: Python, C++, JavaScript, HTML, CSS

Developer Tools: Git, VS Code
